

# Professional Photo Library Tourism - Nature

From near regions to distant lands, a collection of images of France, of the five continents, of worldwide islands : everywhere beauty radiates.

Get away to any spot on the globe,  
Author's Image gets the world to your doorstep.

## THE COLLECTION

Author's Image collection offers a comprehensive view on available subjects. More than 18 000 images of breath taking sceneries as well as architecture, gastronomy, nature and the many themes listed in the next pages. More than one hundred titles evenly arranged in units.

The collection results from the work of French photographers selected for the quality and diversity of their images.

Enriched with thousand of new images every year.

Author's Image photos and titles are on the market on [www.authorsimage.com](http://www.authorsimage.com) and distributed by more than 50 agents worldwide.

## TECHNICAL CHARACTERISTICS

These images are digitized in high definition (300 dpi) in order to get an A3 file. Each image is recorded in RVB format in order to preserve its optimal quality. The images are engraved on CD-ROMs or DVD-ROMs, PC and Mac compatible.

Each image can be acquired in different formats :

Vignette (A8) - Quarter of a page (A6) - Half page (A5) - Full page (A4)

Double page (A3) - Very high definition (A1) - Advertising display (A0)
